Product Features

Brightspeed Voicemail Direct: A dynamic service that answers your calls without tying up a separate business line. Whether you are using the service to improve customer service or your own company communications, with Brightspeed Voicemail Direct, you can affordably improve the flexibility and efficiency of your call management. Your Brightspeed Voicemail Direct service includes the following enhanced features for greater convenience:

Extended Absence Greeting: Your Extended Absence Greeting can be used as a temporary greeting to be played for special occasions. You might choose to use this option if you are going to be traveling for an extended period of time. In set up, choose to either accept or not accept voicemail messages while your extended absence greeting is in effect.

Out of Office Hours: Your Out of Office Hours greeting can be used to provide a unique greeting when your office is closed. Once you enable the out of office schedule and define the hours, like magic, this greeting will play when outside of your defined office hours.

Using Your New Services

Helpful Hints

Brightspeed Voicemail Direct Dial Elite: Remember to press  to exit your mailbox before you hang up. If you hang up before pressing , line will remain connected to your mailbox for up to 45 seconds, and you could accidentally reset your PIN if you pick up the phone again and dial another number within those 45 seconds.

Your phone must be set for Tone dialing, not Pulse dialing to work with your mailbox.

Your Brightspeed Voicemail Direct can store up to 16MB of messages, which is around 25 minutes of voice messages. If you've selected additional storage, your Brightspeed Voicemail Direct can store up to 32MB of messages, which is around 45 minutes of voice messages.

Your Brightspeed Voicemail Direct will store unread messages up to 30 days and read messages up to 10 days.

If your mailbox is full, instead of your greeting, callers hear "Mailbox for [mailbox name] Sorry, the mailbox is full and there is not enough space to leave a message." The system will hang up on the caller. If this happens, press  during this greeting in order to access your messages.

If you are ever unsure what to do next, wait a few seconds, and Brightspeed Voicemail's voice prompts will guide you with available options.

Customer must subscribe to Brightspeed local wireline service and at least one Call Forwarding feature such as Call Forward No Answer or Call Forward No Answer-Fixed. Call Forward Busy is recommended as well.
